JUL 07 2008

From: Commander, Navy Installations Command

Subj: 2008 DEPARTMENT OF DEFENSE FITNESS CENTER STANDARDS

Ref: (a) DUSD (MC&FP) memo of 24 Oct 05  
(b) ASN (M&RA) memo of 14 Nov 05

Encl: (1) 2008 DOD Fitness Center Standards Report Format

1. Per references (a) and (b) all Morale, Welfare and Recreation (MWR) fitness centers are required to submit an annual report of compliance with Department of Defense (DOD) Fitness Center Standards. This annual report must be submitted using the format provided in enclosure (1).

2. In 2007, Navy successfully achieved a 99% overall compliance rate, with 72 installations meeting or exceeding all DOD fitness standards. This effort exemplifies our commitment to providing high quality physical fitness programs and facilities for all members of the Navy team.

3. The DOD Physical Fitness Center Standards are divided into separate sections titled Installation and Facilities. Installation standards apply to the entire installation; facility standards apply specifically to each fitness center, including multiple centers when an installation has more than one center. These standards do not apply to annexes, satellites or non-primary locations. An electronic copy of enclosure (1) can be downloaded from the CNIC MWR web site, [www.mwr.navy.mil](http://www.mwr.navy.mil).

4. Completed reports should be forwarded to CNIC N921, 5720 Integrity Drive, Bldg. 457, Millington, TN 38055-6510, not later than 28 July 2008. My point of contact is Mr. Kelly Powell at 901-874-6631 or email [kelly.powell1@navy.mil](mailto:kelly.powell1@navy.mil).
